~~~~~

Our community celebrates Jewish holidays, history, culture, music, literature, values and identity in a secular, humanistic context. We offer classes for pre-K through 8<sup>th</sup> grade, including bar and bat mitzvah preparation. We also offer an Adult Education program for parents and other adults where history, literature and current events are discussed while the children are in class.

We emphasize the secular, humanistic Jewish values of love of learning, ethical action, tzedakah, social justice, personal responsibility for our actions, pluralism and a rational basis for thought and action.
